Please select a total of 16 credits, PLUS 4 alternate classes. Three courses are taken at the Higher Level (HL) and three courses are taken at the Standard Level (SL). Students must take one course in each of the six groups with an option for course substitution in Group 6. The four remaining spots will be a combination of year-long and semester long classes, based on graduation requirements. Please refer to the list provided for available class selections. Year-long classes count as 2 credits. When selecting year-long classes, please place the same class in two boxes. First semester A, second semester B. **For example:**
