

Release for School Sponsored Activities – Bald 4 Bucks 5K

Academy School District Twenty strives to provide a safe environment for school approved activities; we cannot guarantee an accident will not occur. Voluntary participation in supervised school activities may be one of the least hazardous environments any student is involved in. However, participation in some activities includes an inherent risk of injury which may range in severity from minor to long-term catastrophic injury. Although serious injuries are not common in supervised programs, it is impossible to eliminate all risk.

Participants must obey all safety rules and will immediately report all physical problems to the activity supervisor or their designee.

By signing this permission form, we acknowledge that we have read and understand this warning and understand the inherent risks associated with this activity. We further understand that we are responsible for obtaining any medical, accident, or other insurance that we deem appropriate; the district does not provide student accident insurance. The District makes available to parents student accident insurance information which may be purchased at parent's expense. For complete plan details, please visit: www.myers-stevens.com. Go to the Enrollment Forms tab, select CO from the drop down box and then select Academy School District 20; this will then bring up the plan materials.

I understand that the School District and its employees may have certain legal protections and immunities from liability with respect to any property damage or personal injury that may occur during the activity. The School District and its employees have not waived these protections and immunities. I understand that the School District and its employees may also have certain legal obligations with respect to the activity.

By signing this form, I am not releasing the School District and its employees from any of their legal obligations. However, on behalf of myself, my student, and our family and representatives, I release and hold harmless the School District and its employees from and against all claims for any damages or injuries incurred by myself or my student from any cause, including but not limited to my own or my student's own misconduct or the actions or omissions of third parties. I understand that for purposes of this Release, the term "employees" includes the School District's directors, employees, servants, and volunteers. Parents/Guardians and Students who do not wish to accept the risk described in this warning should not sign this Release for School Sponsored Activities Agreement.
