June 6, 2015	SAT and Subject Tests	May 8, 2015	May 22, 2015

# NCAA

## NCAA Information

If you wish to participate in NCAA Division I or II athletics, you need to be certified by the [NCAA Eligibility Center](#). You need to qualify academically and you will also need to be cleared as an amateur student-athlete. You are responsible for achieving and protecting your eligibility status!

When signing up for the ACT and/or SAT, be sure to include the NCAA code of 9999 to have your scores sent directly to the NCAA. *NCAA only accepts test scores sent to them directly from the testing agencies.* Note: The NAIA now has an eligibility center, too. Go to [www.playnaia.org](http://www.playnaia.org) for more information.

**District 20 is offering an NCAA Night with important information on academic eligibility and more for potential college athletes and their parents on Nov. 13, 2014, 6:30pm at Liberty HS.**

### Welcome to Naviance, Rams!

The Rampart Counseling Department is excited to introduce Naviance to our students this year. Naviance is a comprehensive web-based program that offers innovative, easy-to-use web applications to help guide high school students in their search for careers, colleges, and scholarships. Once a student's account is established, Naviance can be accessed from any computer. The programs in Naviance link students to useful websites, surveys, and other relevant college and career topics. With Naviance, students are able to keep track of their progress with college applications. Naviance also allows the school to submit student transcripts, our school profile, letters of recommendations, and other school forms electronically to most colleges.

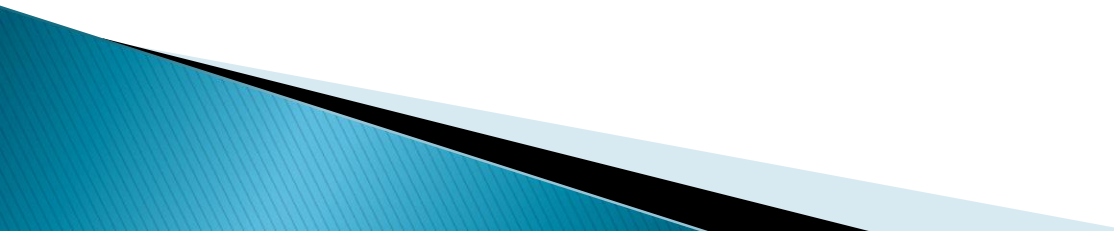

One of the most important components of Naviance is the student activity piece- and this means YOU! Your student account with Naviance will be a wonderful planning tool for you over the course of your education here at Rampart, but you must use it! Please ask your counselor about Naviance and how you can create your own path towards academic, social and post-high school success.
