

DETERMINATION OF CLASS RANK

(Beginning with Graduating Class of 2015)

Class rank is calculated on weighted GPA which is computed from semester grades. Final class rank is based on eight semesters. NOTE: IB Students are ranked within the context of the entire graduating class. The balance of the graduating class is then ranked exclusive of the IB students.

VALEDICTORIAN/SALUTATORIAN

Rampart High School has a valedictorian and salutatorian and an IB valedictorian and salutatorian. The valedictorian(s) will be the student(s) with the highest grade point average in the graduating class within the above groups. Salutatorians have the second highest GPA in each group. If two or more students have the same GPA, and have the highest GPAs in the class, those students will all be the valedictorians. If there is more than one valedictorian, there will be no salutatorian. In order to be eligible, a student must be a full time student during his/her 6th, 7th, & 8th semesters at Rampart. The GPA will be computed from all courses through the completion of the seventh semester. If a student moves out of the IB Programme during his/her junior or senior year, the student is not eligible for valedictorian or salutatorian in any group.
